Yours faithfully,
By order of the Board
CHINA UNIENERGY GROUP LIMITED
Xu Bo
Chairman

This appendix includes an explanatory statement required by the Listing Rules to be presented to Shareholders concerning the Share Buy-back Mandate proposed to be granted to the Directors.

1. LISTING RULES FOR BUY-BACK OF SHARES

The Listing Rules permit companies with a primary listing on the Stock Exchange to buy back their shares on the Stock Exchange subject to certain restrictions as follows:

- (i) the shares proposed to be bought back by the company are fully-paid up;
- (ii) the company has previously sent to its shareholders an explanatory statement complying with the Listing Rules; and
- (iii) its shareholders have given a specific approval or a general mandate to its directors to make the buy-back(s), by way of an ordinary resolution complying with the Listing Rules and which has been passed at a general meeting of the company duly convened and held.

2. FUNDING OF SHARE BUY-BACK

Any buy-back will be made out of funds from the Company's general working capital which are legally available for the purpose in accordance with the Memorandum and Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands. The Company may not buy back Shares on the Stock Exchange for consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

An exercise of the proposed Share Buy-back Mandate in full during the proposed buy-back period could have a material adverse impact on the working capital and/or gearing position of the Company compared with that of 31 December 2017, being the date of its latest published audited consolidated accounts.

The Directors do not propose to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital and/or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

3. REASONS FOR SHARE BUY-BACK

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to have a general authority from the Shareholders to enable the Directors to buy back Shares on the market. Such buy-back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such buy-back will benefit the Company and the Shareholders as a whole.

4. SHARE CAPITAL

As at the Latest Practicable Date, the number of issued Shares was 718,000,000 Shares.

Subject to the passing of the relevant ordinary resolutions to approve the general mandates to issue and buy back Shares and on the basis that no further Shares are issued or bought back between the Latest Practicable Date and the AGM, the Directors would be authorised to buy back a maximum of 71,800,000 Shares, representing 10% of the number of issued Shares as at the date of the AGM.

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the Share Buy-back Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and in accordance with the Memorandum and Articles of Association.

6. EFFECT OF THE TAKEOVERS CODE

If as a result of a buy-back of Shares pursuant to the Share Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as that term is defined in the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Company, (1) Ms. Dai Ling, Lavender Row Limited and Mr. Xu Bo, being an executive Director and chairman of the Company and (2) Noble Fox Holdings Limited and Mr. Xiao Zhijun, being an executive Director of the Company, were beneficially interested in 364,616,000 Shares and 90,000,000 Shares respectively, representing approximately 50.78% and 12.53% of the total issued share capital of the Company, respectively. On the basis that no Shares are issued or bought back prior to the date of the AGM, in the event that the Directors exercise in full the power to buy back Shares in accordance with the terms of the relevant ordinary resolution to be proposed at the AGM, the interests of the above-mentioned parties in the issued Shares would be increased to approximately 56.42% and 13.93% of the total issued share capital of the Company respectively. Such increase will not give rise to an obligation to make a mandatory offer under the Takeovers Code.

The Directors do not propose to exercise the Share Buy-back Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and/or result in the aggregate number of Shares held by the public Shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

7. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors or, to the best of the knowledge and belief of the Directors, having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules) has any present intention, in the event that the proposed Share Buy-back Mandate is approved by the Shareholders, to sell Shares to the Company. No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Company is authorised to make buy-backs of Shares.

8. SHARE BUY-BACK MADE BY THE COMPANY

No buy-back of Shares has been made by the Company (whether on the Stock Exchange or otherwise) during the six months ended on the Latest Practicable Date.

9. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the previous twelve months and up to and including the Latest Practicable Date were as follows:
